VINHO VERDE – QUINTA DO MATO – VALE DOS ARES

Vale dos Ares is located at Quinta do Mato in the centre of the Monção e Melgaço a sub-region of Vinho Verde. Quinta do Mato has been owned by the same family since 1683. Current owner and winemaker Miguel Queimado are a great-great-grandson of Leopoldo Alves de Sousa.

Vale dos Ares is a small production boutique winery dedicated to the production of premium quality wines that express the terroir and the fine qualities of the Alvarinho grape variety. The estate is located at a higher altitude and the wines tend to be less aromatic on the nose but with more mineral and freshness in the mouth.
