DOURO - VASQUES DE CARVALHO

Vasques de Carvalho family history dates to the mid-nineteenth century. In 2012, the current owner, António Vasques de Carvalho, inherited wine cellars, 6 hectares of 80+ year vines in Baixo Corgo, and about 45,000 litres of old 1880 tawny port from his great grandfather, José Vasques de Carvalho.

The highly regarded wine/port maker Jaime Costa is responsible for making the tawny ports, old white ports, vintage ports, and the exceptional Douro wines; Oxum, X Bardos, and Velhos Bardos Reserva. Jamie has worked for 16 years at Burmester and was awarded the Revista de Vinhos Fortified Winemaker of the Year 2005.
