

PARTNER WINERY

ALENTEJO – ADEGA DE PORTALEGRE

Adega De Portalegre winery was founded in 1954. It is located inside the Natural Park of Serra de São Mamede. The 70 year plus vineyards are fragmented in small portions on the slopes of the sierra on granite soil between 600 and 700 meters of altitude. This terroir enables the production of fresh, elegant, and powerful wines.

The fragmented vineyards allow for many grape varieties to be grown like Aragonez, Castelão, Trincadeira, Alfocheiro, Touriga-Nacional, Moreto, Tinta-Caiada, Alicante Bouschet, Grand Noire and Cinsault, Arinto, Fernão-Pires, Antão-Vaz, Bical, White Alicante, Malvasia- Fina, Dialgalves, Syria, Rabo-de-Ovelha, White Galician Muscat, Perrum, and Trincadeira-das- Pratas.

The winemaker, Nuno Mira do O, is one of Portugal young iconic wine makers. He makes wines with elegance and freshness that represent the unique terroir of Serra de São Mamede.
